NO REFUND / NO RETURN POLICY

20th July, 2026

This No Refund / No Return Policy applies to all tickets purchased for **Bigg Bounce – India's Largest Bouncing Theme Park** through our official website & authorised ticketing partners, box office or other approved sales channels.

1. All Ticket Sales Are Final

Once a ticket booking has been successfully completed, it cannot be cancelled, returned, exchanged or refunded.

Refunds will not be issued for:

* Change of plans or personal circumstances;
* Failure to attend the event;
* Late arrival;
* Incorrect event date, time slot or ticket category selected by the customer;
* Illness, travel disruption or transportation delays;
* Failure to bring a valid ticket, booking confirmation or identification;
* Refusal of entry due to violation of event rules, safety requirements or eligibility restrictions;
* Removal from the venue because of unsafe, abusive or inappropriate behaviour;
* Discomfort caused by weather, crowds, queues, noise or other normal event conditions;
* Temporary closure, maintenance or unavailability of individual attractions; or
* A participant choosing not to use some or all attractions after entering the venue.

Customers must verify the event date, session time, venue, participant eligibility and ticket quantity before completing payment.

2. No Returns or Exchanges

Tickets are issued for a specific date, session and/or ticket category. They cannot be exchanged for another date, time slot, category, event or product unless Bigg Bounce expressly permits such a change in writing.

Tickets have no cash value and cannot be redeemed for cash.

3. Event Cancellation by Bigg Bounce

If Bigg Bounce cancels the entire event and does not provide an alternative date, eligible customers will receive a refund of the ticket's face value.

Convenience fees, platform charges, payment-processing fees, taxes or other third-party charges will be refunded only where required by applicable law or where the concerned service provider agrees to refund them.

Refunds, where approved, will ordinarily be processed to the original payment method within **7–14 business days**, subject to the payment provider's processing time.

4. Rescheduling or Relocation

If the event is rescheduled, the original ticket will remain valid for the revised date or session.

If the venue is changed within the same city or reasonable geographic area, the ticket will remain valid for the new venue.

A rescheduling or venue change will not automatically entitle the customer to a refund. Bigg Bounce may, at its discretion or where required by applicable law, offer an alternative session, ticket credit or refund.

5. Weather and Force Majeure

Bigg Bounce may temporarily suspend, modify, postpone, relocate or reschedule the event or individual attractions because of:

* Rain, wind, extreme weather or unsafe ground conditions;
* Government orders or restrictions;
* Public emergencies;
* Fire, flood, natural disaster or epidemic;
* Power failure, technical failure or equipment-related safety concerns;
* Strikes, civil disturbance or security threats; or
* Any circumstance beyond the organiser's reasonable control.

Where reasonably possible, tickets will be transferred to a rescheduled date or an equivalent ticket credit will be offered. Refund eligibility, if any, will depend on the circumstances and applicable law.

Temporary interruption or closure of individual attractions does not constitute cancellation of the entire event and will not ordinarily qualify for a refund.

6. Entry and Safety Requirements

Entry and participation remain subject to Bigg Bounce's safety rules, age and height restrictions, health requirements, clothing requirements and venue terms.

Customers are responsible for reviewing these conditions before purchasing tickets. Refusal of entry or participation for failure to satisfy these requirements will not qualify for a refund.

Entry may also be refused, without refund, where a ticket:

* Has already been used or scanned;
* Is duplicated, altered, counterfeit or obtained fraudulently;
* Was purchased from an unauthorised seller; or
* Is presented in violation of the applicable ticket conditions.

7. Duplicate or Incorrect Charges

If you believe that you have been charged more than once for the same booking, or that payment was deducted without a ticket being issued, please contact us within **7 days** of the transaction.

After verification, any confirmed duplicate or erroneous charge will be reversed or refunded to the original payment method.

8. Processing of Approved Refunds

Any refund expressly approved under this policy will:

* Be made only to the original purchaser;
* Be credited to the original payment method wherever possible;
* Be limited to the amount actually received by us; and
* Remain subject to payment-gateway and banking timelines.

Submitting a refund request does not guarantee approval.

9. Statutory Rights

Nothing in this policy excludes, limits or overrides any right or remedy available to a customer under applicable Indian law.

If any provision of this policy is found to be invalid or unenforceable, the remaining provisions will continue to apply.
